### Merchandising Excellence

The ESGM and ESGS cases create highly flexible merchandising opportunities for your specialty operations. These aesthetically advanced, high performance curved glass models are available for seafood, fresh meats and deli products. Large rear doors and lift up front glass make these cases extremely easy to use. Many flexible options are also available.

### Elite Styling

Dramatic appearance with uncompromising attention to detail is a hallmark of Impact Elite. The ESGM and ESGS have been carefully styled to provide an exceptionally attractive platform for displaying gourmet meats, deli and seafood selections. These cases can be combined with companion models to create spectacular line-ups that make your specialty merchandising come to life.

### Proven Impact Performance

The advanced refrigeration technology of Hussmann Impact is now available in the Impact Elite line, giving you better product temperatures, longer shelf life, lower energy costs, fewer refrigerant leaks and easier cleaning and maintenance. Get ultimate styling and ultimate performance with Impact Elite.

*At last, advanced styling plus world-class performance and energy efficiency... that's Impact Elite.*
